

Thriving in Permanent Whitewater

National author and speaker, Ted Garnett, Performance Resources Consulting LLC will present the top 10 tips for thriving in an environment of *Permanent Whitewater*. This presentation will be fast paced, energetic, motivational and provide you with a list of practical tips for how you can set your business up for success in the midst of turbulent times. Ted's wife is a NIACC graduate and his consulting firm is based right here in Iowa so he's familiar with our region and the challenges that small business owners face. Don't miss this opportunity to gain valuable insight and practical tools that will improve your leadership, your business results and your **OVERALL SUCCESS!**

- Bring Action to your Strategic Plan
- Make your team the A-Team
- Create outcomes that are accountable
